

Code of Ethics

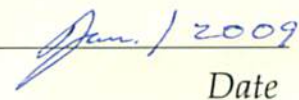

As a Certified Green Professional in good standing, I believe in, and accept, the responsibilities and obligations inherent in providing quality green building services. Basic to these ethical beliefs, I agree to abide by and support the following objectives:

I PLEDGE:

- | | |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>TO WORK to reduce the environmental impact of my projects by incorporating appropriate green practices into my work in the housing industry.</p> <p>TO CONDUCT my business affairs with professionalism and skill.</p> <p>TO PROVIDE a good building value.</p> <p>TO PROTECT the consumer through the use of quality materials and building practices backed by integrity and service.</p> <p>TO MEET my financial obligations in a responsible manner.</p> <p>TO COMPLY with the spirit and letter of my business contracts, and manage all of my employees, with fairness and honor.</p> | <p>TO KEEP informed regarding public policies and other essential information, which affect my business interests and those of the building industry as a whole.</p> <p>TO COMPLY with the rules and regulations prescribed by law and government agencies</p> <p>TO PROVIDE timely response to items covered under warranty.</p> <p>TO SEEK to resolve controversies which I may become involved in through a non-litigation dispute resolution mechanism.</p> <p>TO NOT ATTEMPT to injure, with malicious intent, either directly or indirectly, the professional reputation, prospects, practice, or employment of another builder.</p> <p>TO SUPPORT and abide by the decisions of the association in promoting and enforcing this Code of Ethics.</p> |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
- I COMMIT to promoting green building practices and encouraging the research and use of new technologies and practices.

As a Certified Green Professional, I assume the full responsibilities of this Code of Ethics freely, and am solemnly mindful that these responsibilities are a part of my obligation as a Certified Green Professional. I pledge my support to these Code of Ethics.
